COMPUTER / IMAGING SUPPLIES

Warranty Certificate

[Redacted] guarantees that its computer / imaging supplies will perform as well as the original equipment manufacturers' supplies under similar conditions. [Redacted]'s Computer / Imaging Supplies are developed only after extensive Research and Development to give you absolute assurance that they are of the highest quality. [Redacted] Quality Assurance is further possible with investments in a diverse range of testing equipments in our quality control.

In the unlikely event of a claim that a [Redacted] product caused damage to the printing mechanism of your equipment, please obtain a written statement from the equipment manufacturer stating exactly how the [Redacted] product was responsible for the said damage. Send this statement and the service invoice together with the [Redacted] product that was used and the damaged parts to [Redacted]. [Redacted] will reimburse the full amount of the repair charges for any such valid claim.
